EQUAL OPPORTUNITY CELL

The Equal Opportunity Cell (EOC) at Don Bosco College, KR Puram, is established to ensure an inclusive, equitable, and supportive environment for all students and staff, irrespective of their gender, caste, religion, disability, socio-economic background, or other personal circumstances. The Cell works to uphold the principles of equality, fairness, and social justice in accordance with the guidelines of the **University Grants Commission**.

The primary objective of the Equal Opportunity Cell is to promote equal access to academic opportunities, institutional resources, and support services for all members of the college community. The Cell particularly focuses on addressing the concerns and needs of students belonging to marginalized and underrepresented groups, including Scheduled Castes (SC), Scheduled Tribes (ST), Other Backward Classes (OBC), minorities, and persons with disabilities.

The Cell also undertakes awareness programmes, guidance initiatives, and sensitization activities to foster a campus culture that values diversity, mutual respect, and inclusivity. Through these initiatives, the institution seeks to create an environment where every individual is empowered to pursue academic excellence and personal development without discrimination.
